

**Personal Data Protection and Cookies Charter
of the mobile application O-Ring info**

Welcome to the mobile application O-Ring info (hereinafter referred to as the “Application”). By downloading and using the Application, you agree that you have read, understood and accepted, without limitation or reservation, the present Personal data protection and cookies Charter (hereinafter the “Charter”) and our terms and conditions of use. Please note that other terms and conditions and Personal data and cookies charter apply to other Hutchinson Group applications, and we recommend that you read them carefully.

The Charter aims to inform you of the rights and freedoms that you can exercise in respect of our use of your personal data and describes the measures that we take to protect these data.

If you do not wish to allow Hutchinson to use your personal data through the Application, as indicated in this Charter, please do not install and use the Application.

Hutchinson, « Société Anonyme », registered capital of 52.947.648 euros, having its registered office in 2 rue Balzac 75008 Paris (France), registered in the Paris Trade and Company register under the number 542 051 826, is the “data controller” with responsibility for processing the personal data used to manage the Application. These processing operations are carried out in accordance with the applicable law.

1. Purpose of processing, legal basis, the period of storage and types of data collected

To use the Application and benefit from our services, you can provide us with a certain number of personal data, such as your last name, first name and e-mail address.

The processing of your personal data is based on your consent when you contact us by writing to us at the email address oring@hutchinson.com and / or **on the contract** concluded when optional in order to make the best use of the services of the Application you ask us to create an account (password and username reserved for our customers). This information is necessary to enable us to process your requests, otherwise they cannot be processed. You can withdraw your consent at any time without calling into question the processing (s) carried out previously, by writing to the following email address: data.protection@hutchinson.com.

Your personal data is not subsequently processed in a manner incompatible with the purpose described below. Your data is kept for the time necessary for the purpose of each processing as indicated below:

Purpose of processing	Retention period
<i>Processing operation 1</i> : creation of an account (username, password) this is an optional service allowing access to the full functionalities of the Application reserved for our customers.	<ul style="list-style-type: none">- during the duration of our commercial relations increased by 12 months, or- as long as you have not requested the deletion of this personal data to one of the following email addresses: oring@hutchinson.com or dataprotection@hutchinson.com, or- in the event of inactivity of your account for 3 years after having received 2 emails (30 days and 4 days before the end of the 3 years) to notify you of the closure of your account if you do not reconnect within the time limit

<u>Processing operation 2:</u> to respond to your request for information when you write to the email address oring@hutchinson.com (indirect collection of your personal data)	- 3 months
--	------------

2. Data recipients

In order to satisfy the purposes specified above, your personal data is transmitted to the subsidiaries of the HUTCHINSON Group as well as to the French company SUPERSONIKS, developer of the Application and ensuring its maintenance, as well as the French company GANDI, host of your personal data (subcontractor of SUPERSONIKS). Your personal data is hosted on servers located in France.

3. Data Transfers

Any transfer of data to a country outside the European Economic Area shall be carried out in accordance with the applicable regulations and in such a way as to protect your data appropriately. For the purposes of the services provided on the Application, your personal data may be transferred to the Hutchinson Group companies established outside the European Economic Area.

For this reason, the Hutchinson Group has adopted "Binding Corporate Rules" (BCR) governing intra-Group transfers of personal data originating in the European Economic Area.

If you would like more information about our BCRs please click here <https://oring.supersoniks.com/pdf/oring-info/en/bcr.pdf>. For more information about the other measures taken to ensure adequate protection, please write to the contact address listed below.

4. Data security and confidentiality

The data controller takes appropriate steps to preserve the security and confidentiality of your personal data, including to prevent them from being distorted, damaged or disclosed to unauthorized third parties.

5. Gestion des cookies

A cookie is a file that records information about your use of the O-Ring info Mobile Application and enables you to use it.

Cookies are text files that are placed on your phone. They provide access to various information about you. Some of them belong to the publisher of the Application O-Ring info and some to third parties.

The table below details each cookie on the Application O-Ring info.

We activate cookies and other tracers once you have given your consent with the exception of technical cookies and tracers which are essential for providing the service you request on O-Ring info Application.

Which cookies are installed?

- Cookies issued by Hutchinson**

Publisher of the Cookie	Description	How do you object	Period
Hutchinson - Account Information	Contains information about the User's account kept for convenience. This way, Users do not	The User is free to use the Application without creating an account.	Deleted when the User resets the Application data in the phone settings or when the Application

	have to enter their information the next time they use the Application.		is deleted
Hutchinson - preferences	Contains information about unit system and language to be used in the Application as well as preferences.	Impossible, they are essential to the functioning of the Application	Deleted when the User resets application data in phone settings or when Application is deleted

Deleted when the User resets application data in phone settings or when Application is deleted

How to withdraw your consent?

On your first connection to O-Ring info, you will be asked to give your consent to the use of non-essentials cookies and/or to make setting. If you subsequently wish to reconsider your choices, you can display the cookies settings.

To delete cookies already stored, please refer to the procedure provided by your operating system (Android, Apple...).

6. Your rights /Contact

In accordance with current regulations, you have the right to access, rectify, delete and object to the use of your personal data. You can ask for your personal data to be sent to you and you have the right to give instructions for the use of your personal data after your death. You can also ask for restriction of the data processing or of data portability.

You can exercise your rights and ask us about the processing of your personal data by contacting the service in charge of protecting personal data at the following email address: data.protection@hutchinson.com; the data controller is HUTCHINSON, "Société Anonyme", having its registered office located at 2 rue Balzac 75008 Paris, registered in the Paris Trade and Companies Register under the number 542 051 826. Finally, you can lodge a complaint with the authority responsible for compliance with personal data protection obligations (the CNIL for France or for other countries your local authority).

7. External links

If our Mobile Application gives you access to websites or mobile applications, said websites or mobile applications are not subject to this Charter. We advise you to consult the personal data protection charters / confidentiality declarations of these websites or applications to know their practices regarding the collection, use and disclosure of personal data.

8. Personal data of minors

Please note that the use of the Application is restricted to persons aged 18 and over and that we do not intend to collect or process personal data from minors under the age of 18. Therefore, if you are under the age of 18, please obtain the consent of your parents or guardian before providing information to us through the Application. Without this prior consent, users under the age of 18 are not permitted to provide us with information and, if they did, we would stop processing their information as soon as we became aware of their age. We cannot be held responsible if information belonging to minors were recorded at the time of connection in violation of these clauses.

9. Modification of the Charter

This Charter was updated on September 29, 2021. The latest version is available in the Personal Data section of our Mobile Application. We reserve the right to revise and modify this Charter at any time, especially to ensure that we comply with regulatory and legal requirements.
